Interesting Meeting Tonight

Tonight there will be much enthusiasm at the board of trade meeting in the council chamber. Enthusiasm because a large crowd is expected to attend and enter into the discussions. There will be good reports of the committees. There is also a good speaker to speak on educaational topics of the day in the person of Prof. C. B. Robertson of the University of Pittsburgh. This attraction is expected to bring out a good attendance of all persons interested in educational matters. There will be plenty of other things to interest every business man, every professional man and every citizen. Visitors are as welcome to attend as the members. There is no pass word at the door. There are no color or race lines, all that is required to become a member of the Board of Trade is to have an interest in the town. It isn't so much of a personal interest as a public interest that is desired. To be an active member of the Board of Trade you must be a public spirited citizen. You must want to better the conditions of the town. If you have never attended a meeting before, be there tonight, hear the good speech and get some enthusiasm into your system. Be alive, ever doing and ever helping.

Schoonmaker Gets Brick

Another handsome new modern brick building will be erected on Schoonmaker avenue. Two frame buildings at the corner of Fourth and Schoonmaker avenue, pioneer land marks, are to be replaced by modern structures within a very short time. The property belongs to Louis Stephens and Mr. Stephens expects to soon let a contract for brick buildings. The corner is now occupied by the Eisenburg clothing store and a Greek restaurant next door. The building now occupied by Mr. Eisenburg will remain but the one occupied by the restaurant will either be removed or torn down, also the one on the alley facing Fourth street. The brick structure will face both Fourth street and Schoonmaker avenue and when completed will greatly improve this prominent corner. Schoonmaker avenue is fast forging to the front. This week Jacob Bornstein and John Reed broke ground for a brick building at Fifth and Schoonmaker avenue 40x60 feet.

Entertained

—Mrs. E. C. Sattley entertained the afternoon bridge club at her home, McKee avenue and Fourth street, yesterday. Bridge was indulged in until lunch time when a dainty lunch was served.

Suggestion From Miss McLain

Chairman Alfred Tanzer has received a letter from Lee R. McLain, a former teacher in the local schools, but who is now located in Cleveland, relative to a cleanup day for the town. The letter was inspired by an article that appeared in these columns relative to a clean up day for the town, and Miss McLain took occasion to write concerning the way such campaigns are carried on in Cleveland.

They are started in the public schools and all the schools of the city co-operate. In this way the movement is carried into the homes and it is talked about by old and young, and finally the entire city is interested in the work. Miss McLain wrote the letter believing that the suggestions might be of value in carrying forward such a campaign in Monessen since there is a movement of this kind on foot.

Identification Was Positive

There was no doubt in the mind of Steve Telago when he arrived here yesterday from Donora that the body of the man found on the river bank was that of his brother John, who disappeared on the 25th of last February. Before his death the man had been enmployed in the Page mill and how he met his death is entirely a mystery. The two brothers had been living together at Donora and a diligent search had been going on since the day the man failed to return home. The unfortunate victim has a wife and four children in the old country. Word was sent to them yesterday.

Jeffery Ad in This Issue

Through an oversight on the part of the foreman yesterday the advertisement of Frank Venneri, local agent for the Jeffery car was left out. This firm has been advertising extensively and is one of the Independent's regular customers. We regret exceedingly ingly that this occurred and the ad appears in today's issue. The Jeffery car has been greatly reduced in price and for a high class car it is one of the best propositions on the market today.

Appreciates Paper

—Rev. A. T. Wallace, pastor of the Rogers Park Baptist church of Chicago, who was formerly a local minister, writes that he gets the Independent daily and that he is much interested in local happenings. He was amused at the Third class city agitation. He asks to be remembered to all local people.

Business and Judgment

Business is a matter of judgment. When enmity comes in at the door, judgment flies out at the window. Any business which is worth doing, benefits both parties. Commerce is the greatest of all civilized agencies because people must be friends if they are to do business together, and friendship makes for peace.

In many parts of the country the boards of trades of the cities and towns are inviting the farmers to become members. This is a good thing for both farmers and the business men who are not farmers. But why should we wait for towns to give us the benefit of board of trade activities? Why not organize farmers' boards of trade. Such boards would work on marketing problems freight problems and other rural business matters These are quite as important as the business problems of the towns, and need as careful management. Incidentally, they could co-operate with the town organizations for the smothering out of the friction which must occasionally occur between the producer and the consumer, and the middleman sandwiched in between the two.

There is a good deal of misunderstanding between rural and town business committees. There is ignorance on each side of the problems of the other.

The best thing which could happen for almost any neighborhood would be a careful study by the farmers of the business of retailers and commission merchants, and by city and town business men of the problems of the farmers. Such an exchange of views would finally show each side how better to serve the other. And any business which is not based on mutual service should be changed or abandoned.

As a matter of fact, there is mutual service in all business which has lasted long. That is why it has lasted

Trouble Elsewhere

There is no "choo-choo" that runs beyond the border lines of trouble If there was no ticket agent could sell tickets fast enough to accommodate the crowds that would board it.

A bunch of Monessen people have jumped the town leaving behind them many debts or other troubles. Some of them have come back after a lapse of time. others are still beyond reach, or at least beyond creditors. Of course they are not beyond the reach of individual conscience, and after all it is conscience that makes cowards of us all If a man deals dirt to his fellow man he will reap the same thing in return. What we sow we reap. If a man leaves a place to escape trouble, the trouble follows him If he leaves to escape his creditors, his creditors will get him, some time, some place, it matters not whether he has real estate back home or not There is a moral as well as a legal way to discharge a debt, and if it isn't discharged morally, it will appear again. It is always better to leave home with a good name and a reputation unblemished, for after all, our life our happiness and our all depends entirely upon our reputation.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr Edwards' Olive Tablets by their olive color 10c and 25c per box All druggists

MRS. THOMSON TELLS WOMEN

How She Was Helped During Change of Life by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I am just 52 years of age and during Change of Life I suffered for six years terribly. I tried several doctors but none seemed to give me any relief. Every month the pains were intense in both sides, and made me so weak that I had to go to bed. At last a friend recommended Lydia E. Pinkham's Vegetable Compound to me and I tried it at once and found much relief. After that I had no pains at all and could do my housework and shopping the same as always. For years I have praised Lydia E. Pinkham's Vegetable Compound for what it has done for me, and shall always recommend it as a woman's friend. You are at liberty to use my letter in any way."—Mrs. THOMSON, 549 W. Russell St., Philadelphia, Pa.

Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

HOW FRENCH PEOPLE CURE STOMACH TROUBLE

A household remedy of the French peasantry, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles, has been introduced in this country by George H. Mayr, who for twenty years has been one of the leading down-town druggists of Chicago and who himself was cured by its use. So quick and effective is its action that a single dose is usually enough to bring pronounced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything to produce such remarkable results in so short a time It is known as Mayr's Wonderful Remedy and can now be had at all leading drug stores. It is sold with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.

Rain Interfered With the Game

The second game of the Junior High school base ball league was stopped at the end of the sixth inning by rain, the score being 11 to 4 in favor of 7A, who proved to be better batters and base runners than their opponents. 8A. Eleven hits were made off Hughes, the star 8A pitcher, while four hits were all 8A could make from Teguila and Davies, the strong 7A pitchers.

With the score 5 to 4 at the beginning of the sixth inning, 7A jumped on Hughes for eight hits and a base on balls netted them six runs and the game.

The crowd was as large as at the opening game, despite the cloudy weather, and the enthusiasm and rivalry of both the players and spectators cannot be beaten in our High school or in any college.

The next league game will be between 7B, one of the league leaders and 8A who will fight for their life to keep out of last place. Tuesday, April 27 will be the next game. The following is the score:

Lyceums Defeat Academy Girls

The Academy girls defeated the Lyceum girls at Lyceum hall in a game of basketball last night by a score of 26-5. It was a very interesting game in spite of the fast that it was very one sided. The Academy girls had to fight hard for the victory. Regina Conway and Catherine Hill were the stars of the game, both playing for the Academy. A good sized crowd witnessed the game. Following is the lineup:

Academy		Lyceum
Regina Conway	f	Mary Sherry
Catherine Hill	f	Beatrice Conway
Lois McMahan	c	Josephine Touche
E. Lafferty	g	Mildred Donegan
M. Corrigan	g	Alfreda Patrick

Score— Field goals —Academy—Regina Conway, 7; Catherine Hill, 6. Lyceus—Mary Sherry, 1; Beatrice Conway, 1. Fouls—Beatrice Conway, 1 out of 2.

Manager Philipps Discusses Baseball

Manager Bill Phillips of the Newark Feds was at his home in Charleroi over Wednesday for the first time since the baseball training season began, coming to attend the funeral of his mother-in-law, Mrs. Dinsmore.

Mananger Phillips said that Newark was getting a good start, and added with a grim smile "financially." He thinks he has the best team in the Federal league and is confident of much success this season.

Asked about his team's makeup, he said "I have a good ball club, but so far have been somewhat crippled. The loss of Benny Kauff of course left a bad hole, but I have just as good a man in Rousch. The trouble is, Rousch has been kept out of the game by injuries to his legs." Manager Phillips has gone back to Newark to join his club.

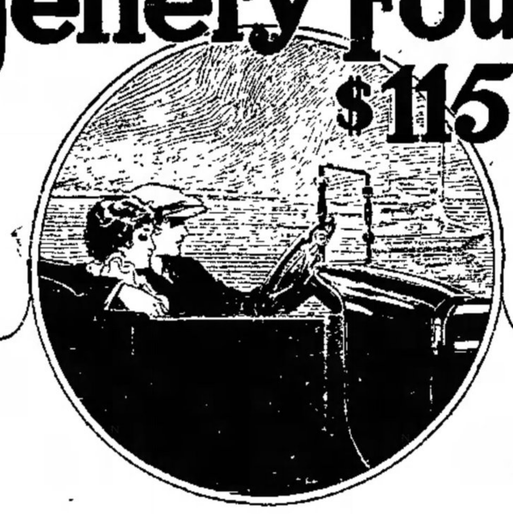
Jeffery Four $1150



A Quality Car At a Dividend-Sharing Price

The Thomas B. Jeffery Company is sharing its prosperity this Spring with the American motoring public—offering the Jeffery Light Four at the lowest price ever asked for a car of real quality—$1150.

This is the car that introduced the European type of light-weight, high-speed, high-efficiency motor into this country.

It is a large, roomy, comfortable, easy-riding automobile—superior in its appointments—built to satisfy the most discriminating judges of motor car values. Owners of the Jeffery Light Four who have driven higher priced cars say it is the equal in appearance and performance of other cars selling at $2000 or more.

The Jeffery Light Four is now on display at our salesrooms. Come in and see it—or phone for a demonstration—TODAY.

MOST MEN ARE "LOP-SIDED"

A man who is exactly the same on both sides is a curiosity. When you consider this along with the fact that all ready made and many tailor made suits are built for symetrical figures, you cease to wonder why you see so many ill appearing garments. Even if they "fit" they only emphasize imperfection of figure.

A REAL tailor CORRECTS nature's mistakes.

Peoples Formu.

This column is devoted to the expression of the opinion of our readers and in no wise denotes the paper's opinion on or sympathy with any question involved.

Editor of the Daily Independent:

I notice in the people's forum where a reader made some remarks in regard to the Bungard bill to make the dead beats come clean. While I agree that the bill looks a little one sided, I think that there could have been a much better bill framed than the present one, one that would benefit the merchant and the debtor far more.

I don't believe in going back and picking old statutes that have been tried and found to be worthless, and repealed from the statute books. From past knowledge and history, this subject is one of the hardest to handle that the people have to contend with. It has been a bone of contention ever since the early history of man. I shall not go back to the ancient time for evidence to prove my assertion, but I will call your attention to a few laws that have been passed in the United States and especially in the state of Pennsylvania in regard to making a poor man pay his debt.

We once had a law that a man could be sent to the whipping post for not paying his debts. Did this better the situation any? I say no. We once had a law that a poor man could be sold to anyone who would buy him if he owed a debt and could not pay it. I now want to call your attention to some of the laws of 1816. There was on the statute books a law that if a poor man owed a debt he could be arraigned and put in jail for the debt. And on down to 1820-1822 and still in 1831 these inhuman laws were still enforced. And after all the enforcement of the laws it only made the matter worse for the oppressor.

I want to give some figures that will give light on the workings of these old laws. And if anyone doubts the accuracy of my figures, if they will just look in the history, they will find them just as I have given them.

In 1816 there were 1,954 debtors in prison of whom 1,129 owed less than fifty dollars, and 729 owed less than $25 each. Everyone of them would have starved to death but for the kindness of the humane society. One man owed a firm of two 54 cents. By dividing the debt, the victim was imprisoned on two counts of 27c each. The costs piled up a total of $14.54 for which he was held responsible.

In 1820 and 1822 three thousand four hundred and ninety two debtors were jailed which affected ten thousand human beings. One woman was taken from her home and two children for a debt of $3.60. One man was imprisoned thirty years and a purse of $3,000 was raised to pay the jail fees and costs that had accumulated during the long period of confinement.

In Philadelphia, the city of Brotherly Love, in 1828, 1,085 debtors were jailed. their total debts being $25,409 and the amount recovered by creditors $2.95 and the cost of maintaining the prison $285,000.

In 1831 the same city of Brotherly Love jailed 40 debtors owing a total of $23.09. One man owed two cents, another seventy two cents. The laws and the legal practice of the time were admirably arranged so that only the poor man owing small debt should go to jail, while the wealthy man owing a large sum could not be put in jail, and I feel free to say that if this bill were to pass and become a law and be enforcel, it would work hardships on nine tenths of the workmen of the present time, and the merchant would feel the affects as severe as the working man, for it would be the means of the merchant losing many a bill.

A Deadbeat.

Can there be any stronger proof offered than the evidence of Monessen residents? After you have read the following, quietly answer the question.

Mrs. W. Koerner, 119 Knox avenue, Monessen, says: "I had a bad fall which injured my back. I suffered from a constant pain across my loins and in the morning I was always worse. If I stooped over a sharp pain caught me and I could not straighten. The secretions from my kidneys were unnatural and caused me annoyance I didn't rest well and rheumatic pains made it hard for me to get about. I was often so lame that I had to sit on cushions and I had puffy sacks beneath my eyes. I doctored and tried different medicines, but got no relief. Two boxes of Doans Kidney Pills, procured at the Hirsch Drug Co. drove most of the trouble away. I take this medicine off and on as a kidney tonic and it keeps me in good health."
